CHINESE TONKIN CANES

Nurserymen realize now that when they go to the labor and expense of planting a block of Shade Trees, it pays to have every tree produce revenue. Crooked and "bow-leg" trees are a dead loss. It pays to buy stakes and make every tree salable. First cost is very little, as the stakes can be used over and over again.

We import our Cane Stakes direct from China.

Bale of 300 canes, 7 ft. long, ¾ to ⅞ in. diameter at butt, \$12.50 per bale

Bale of 300 canes, 10 ft. long, ¾ to ⅞ in. diameter at butt, \$16.00 per bale

Sold in full bales only. Prices are for canes F. O. B. Dresher, Pa.
